ANNOUNCEMENTS FOR THE WEEK OF JANUARY 22nd

DEACONS' BENEVOLENCE OFFERING FOR JANUARY

For the Month of January the Deacons have chosen the Latah Recovery Center to be the recipient of the monthly benevolence offering. They work with people to enter and engage in recovery from addictions and behavioral health disorders through peer-to-peer interaction and evidence-based practices to promote a healthy community.

FOON NEEDS YOU!

With the beginning of 2023, we are starting a long haul of FOON dates between now and the end of school. We just had our first week this school year with over 80 students. This means we need your help more than ever. If you would like to provide cookies, get in touch with Ellen Johansen, who is putting together the treat supply list covering March through May. Generous donations last spring have kept us supplied with paper plates, but we are going through them rapidly and need more - approximately 1,700 plates between now and June. Wow. We are going through 7 or so cases of soda each week. We certainly need donations to cover the cost of pizza for all these hungry high school students. To show kids that there are people who care about them, we feed them pizza and try to learn their names. If you would like to join the FOON team, even for a week, talk to me after church or contact me at familyministryjulie@gmail.com
