ANNOUNCEMENTS FOR THE WEEK OF JULY 31st

DEACONS' BENEVOLENCE OFFERING FOR JULY

For the month of July the Deacons have chosen Weekend Food for Kids to receive the Benevolence offering. The mission of Weekend Food for Kids (WFFK) is to supplement the Moscow School District's free summertime lunch program, by providing food for the weekends during the summer to children living in food-insecure circumstances. Volunteers pack bags with mostly nonperishable food items that are easy for a child to prepare with minimal or no adult help. Each bag contains a variety of food and beverages for breakfast, lunches, dinners, and snacks, and at least two kinds of fresh produce. The WFFK program depends entirely on the generosity of donors and volunteers and receives not only monetary donations, but also donated food items. Dedicated volunteers perform all the necessary tasks to make the food distribution possible, such as shopping, packing, and distributing bags. St. Mark's Episcopal and the Unitarian Universalist Church of the Palouse spearhead the WFFK program. Thank you for helping with this important work through your July benevolence giving. Offerings may be put in the offering plate or mailed to First Presbyterian Church (marked July Benevolence) or give online using the Tithe.ly app or the "Give" button on our website at fpcmoscow.org.

LANDSCAPE FUND

Spring is here! The "Patio Project" needs your donations to the Landscape Fund! It seems so long ago that the huge juniper shrub was covering the hillside to the right of the front entrance. It took many man hours to remove the "shrub," tree trunk and roots. Dan Crimmins drew up a plan to remove dirt, install a short retaining wall and make a level space for a patio area. The Garden Group envisions a small patio table and chairs to invite us to take a break, snack, meditate or visit. The initial bid was for \$3400 but we plan to get other bids, we need your donations to the Landscape Fund to make this happen this spring or summer. If you have questions, contact Sally Amador or Dan Crimmins. Mark your donation for "Landscape Fund".

VIDEO TECH HELPERS NEEDED

We have an urgent need for volunteers to serve as occasional substitutes running the video equipment for our Sunday livestream. If you are comfortable working with a computer and are familiar with the flow of the service, please consider giving it a try. Training provided. For more information talk with Kathy Pendegraft or Arturo Beighler after today's service.

MISSION OPPORTUNITY!

On August 6th, NEXT SUNDAY, after church, there will be a meeting in Room 35 for those who are interested in mission work. We hope to see you there!
